To,
Mission Director, DAY-NULM,
All States/UTs.

Subject: MIS update of all SEP beneficiaries under DAY-NULM- reg.

Sir / Madam,

In continuation to this office's letter dated March 25, 2019, regarding mismatch in MIS, MPR and PAiSA portal data with respect to the SEP beneficiaries, all the States/UTs are advised to comply with the following process for updating NULM MIS: -

1. Update the Manual Register for all kinds of SEP loans, sanctioned since the inception of the Mission.
2. Ensure data entry of all the leftover cases under the SEP into NULM MIS, so that number of entries in the manual register and NULM MIS reconcile.
3. Since, now the data is being pushed to PAiSA Portal from MIS, ULBs should dispose of pending cases of interest subvention on PAiSA Portal in a time bound manner. If some entries are found in PAiSA Portal which do not pertain to NULM beneficiaries, they should be clearly marked and request should be sent to the Ministry for deletion of those entries from NULM MIS after duly rejecting those cases on PAiSA Portal.
4. As Mobile and Aadhaar validation of beneficiaries has been introduced since the last financial year, ULBs should make every effort to contact the old beneficiaries while entering the data in NULM MIS, so that, the above validation can be done for them as well. No request will be entertained for entry of old data without Mobile and Aadhaar validation.
5. Direct CMMs and Community Organisers (COs) for collection of SEP loan sanction letters from the respective bank branches every month. The SEP beneficiaries also may be sensitized to submit a copy of the sanction letters in order to update the details in MIS promptly.
6. Adopt mission mode to update SEP loan beneficiaries' details in the NULM MIS by July 15th, 2019. Any further queries can be sent by on following e-mail ids: mayankmishra.nulm@gmail.com, rangamma.svr@nic.in, ashwini.nulmse@gmail.com, vjy.nulmsmid@gmail.com.
