

Hi, I am Rashmi. I work with a contractor who provides street cleaning service for the municipality.
I know that like us, many of you are also providing these services to citizens during this Covid-19 pandemic.
And that's why I would like to share some safety tips with you to protect you from the Novel Corona Virus....

Disclaimer: These instructions are no SOPs for their regular work but intended to highlight additional safety measures to be taken by sanitation workers

Before leaving home for your work, you must

1. Wear full sleeve and full-length clothes

3. Carry the Emergency pass issued by ULB

5. Gloves, mask, apron (if mask is not available, then use a clean cloth in 2-3 layers to cover your nose and mouth)

2. Cover wounds with water-proof band-aid

4. Carry water and soap to wash hands

6. Carry extra set of clothes

When you reach the workplace, you must

1. Wash hands with soap for 20 seconds at least

2. Avoid touching unnecessary objects, only your PPEs, cart and broom

3. Wear gloves, mask/cloth, apron, boots

4. Avoid touching face, nose, mouth, eyes

5. Maintain safe distance while traveling together to work site

When you start your work, follow these steps...

1. Keep distance of minimum 4 feet from citizens

3. Do not touch dustbins and waste with bare hands

5. Wash eyes, nose, face in case waste touches

2. Ask citizens to throw their waste directly in the vehicle/ pushcart

4. Do not collect waste from a quarantined household unless you are informed by the municipality

6. Use sheet/pan to pick up littered waste

7. Take extra care while picking up waste that may carry saliva i.e. ice-cream stick, etc.

When you return to your work base (transfer station/ ward office etc.)

Remove safety gears

Wash hands and face

Change clothes and put all in a bag

Wear mask/cloth and return to home

Before meeting anyone in the family, first wash clothes and PPEs with soap and hang them in a sunny dry place

Contact a doctor immediately if you have any cough/fever or running nose

Let's conquer the virus by ensuring our safety
